Request: Request for Hardship Transfer for

Student's Name (Please Print)

Dear Mr. Villarreal:

I wish to request a hardship transfer from the school district, _____,
(Enter Flour Bluff, Port Aransas or Rivera, I.S.D.)
in which I reside to Seashore Middle Academy Public Charter School for my child.

It is my understanding that hardship transfers are available for students from the district of residence to another district where a course of study is offered which is not available in the home district.

Seashore Middle Academy has a mandatory offering of college preparatory programs with an emphasis on math and science, small class sizes, lifetime sports and fitness.

I want my child to be able to take advantage of this instructionally innovative program. The district of our residence has no such comparable offering in these academic areas.

I respectfully request affirmative consideration of my request for a hardship transfer.

With kindest regards,

Parent/Guardian Signature

Students living in zip codes 78418, 78419, 78373 or 78379 would normally go to Flour Bluff I.S.D., Port Aransas I.S.D. or Rivera I.S.D. Because Seashore Middle Academy gives parents a choice in their child's public education, all students who attend Seashore are considered transfer students from these districts for funding purposes, even if they never attended these schools. If you have any questions regarding this form, please call the office 654-1134.

Request: Request for Hardship Transfer for

Student's Name (Please Print)

Dear Mr. Villarreal:

I wish to request a hardship transfer from the school district in which I reside,
_____, to the Seashore Middle Academy Charter School for my
Enter School District
child.

I am employed by the Seashore Middle Academy and it is my understanding that, with regard to transfers, the children of employees of the receiving school district may now be accepted as "hardship" transfers.

For this reason, I respectfully request affirmative consideration of my request for a hardship transfer.

With kindest regards,

Parent/Guardian Signature
